

Greetings fellow Royal Gorge Gun Club Members, I would like to take this opportunity to thank you for your continued support. Most of the time our membership can be commended for doing what they are supposed to do and for adhering to club rules and policies. However, we recently had a breach of security where a gun club member gave out our combination to another person for what they felt was a good reason. Let me clarify this once again for everyone. **THERE IS NO GOOD REASON TO GIVE OUT OUR COMBINATION TO ANYONE REGARDLESS OF THAT PERSON'S REASON.** If you are asked to give out our combination, tell whoever is asking that they need to contact one of the board members and ask permission.

ANYONE WHO IS CAUGHT GIVING OUT OUR GUN CLUB COMBINATION TO ANYONE WHO IS A NON-MEMBER WILL FORFEIT THEIR CLUB MEMBERSHIP IMMEDIATELY AND WILL NOT RECEIVE ANY REFUND OF CLUB DUES.

We are a privately insured gun club under the NRA, and our insurance does not allow us to just give out our combination willy nilly to people who are not NRA members and Royal Gorge Gun Club Members. All of us want a place to enjoy the shooting sports which is why we all belong to the gun club in the first place, **PLEASE DO NOT PLACE THE GUN CLUB AND ALL OF YOUR FELLOW MEMBERS AT RISK BECAUSE YOU CAN'T KEEP YOUR MOUTH SHUT!**

Due to this breach of our security I have no choice but to change our gate combination immediately to protect the membership. It is expensive to do multiple mailings, so I am asking ALL annual members to renew NOW, so that I can change the gate combination as soon as possible and not have to incur the expense of multiple mailings.
